I appreciate the efforts of everyone who have done an excellent job in publishing the 'Ab Imo Pectore' Quarterly Newsletter Vol.02 for the months of July to September 2019.

Secretary, SKS Group

Message from The Principal

The release of the second edition of Newsletter 'Ab Imo Pectore' in such a short span; is an achievement for all those involved in its composition. The magazine has gained tremendous popularity amongst the students and parents, as it provides an insight into the flurry of activities at SKS World School, Greater Noida (West) and reflects the true potential of our young creators. SKS World School emerged as a focal point of new generation education with new technologies.

In addition to the academic front, the co-scholastic areas in our school are also equally addressed to develop the overall potential of the children.

As it is said that "All Work and No Play, Makes Jack a Dull Boy". To check this tendency we organised a series of activities to give the students a wider exposure and broaden their outlook. A series of Quiz Competitions like Science Quiz, Heritage Quiz and G.K Quiz was conducted. Students performed well with full of enthusiasm and vigour, their knowledge was enhanced. To develop leadership qualities and inculcate a sense of responsibility, the student council is elected every year. The Investiture Ceremony of newly elected student council of SKS World School was held on 15th July, 2019. In keeping the solemnity of the occasion the school began with Ganesh Vandana followed by mellifluous songs and dance performances. The newly elected council members took the oath to work earnestly and keep the welfare of the students and their Alma Mater their priority. Like that several competitions like Solo Dance, Hindi Recitation, Taekwondo, Painting, Fancy Dress, Quizes etc were organised and winners were felicitated. Celebrations like Grand Parents Day, Teacher's Day, Independence Day, Festivals (Janmashtmi & RakshaBandhan) etc were celebrated with full vigour.

I have no inhibitions in asserting that our endeavor has been to give the students the best of education in a stress free environment with a view to develop their self-confidence and achieve their 'Holistic Development'.

I would like to assure the parents that the future of their children is in safe hands and we shall certainly mould this young generation into confident citizens of tomorrow.
